Juniors and seniors focus of visit by 'Grim Reaper' tomorrow at MCHS

A 911 call and the wail of sirens as emergency units respond to the high school will kick off the day tomorrow morning for students at Morgan County High School.

The West Liberty Police Department and Morgan County High School, with help from other community organizations and officials, have scheduled tomorrow, Friday, May 15, to conduct a day-long event at the high school with the goal of encouraging students to exercise good judgment when faced with peer pressure to drink or do drugs.

The event will begin with a mock car crash in the morning involving a simulated two-car, alcohol-related collision. The focus will be on the juniors and seniors planning to attend the prom.

As the school year winds to an end with prom and graduation celebrations approaching, everyone needs to be reminded of the dangers of driving while under the influence of alcohol or drugs or riding with an impaired driver. Impaired driving is one of America's often committed and deadliest crimes, according to the National Highway Safety Administration. The goal tomorrow is to alert the students and the community to the seriousness of impaired driving. An estimated

25,000 people are killed each year by teenage drivers in alcohol-related crashes.

After the simulated "crash," the "Grim Reaper" will visit classrooms and select 15 students to represent a victim in an alcohol- or drug-related crash. This represents the number of people killed in alcohol or drug related crashes during a school day that are declared dead.

In the afternoon, an assembly will be held in the gymnasium. Guest speakers will

address the dangers of driving while impaired and "funeral services" will be held for each of the fifteen "victims."

Citizens are alerted to not be alarmed the morning of May 15 if you hear of an accident at the high school or of emergency personnel being summoned to the school campus. If you need additional information about the "Mock Crash" or "Ghost Out," contact school personnel at 743-8082 or 743-8073 or the West Liberty Police Department.

Project Prom set May 23 to include night in Mt. Sterling

Prom night can be one of the greatest nights of the year for high school students.

Unfortunately, it also can be the most tragic—due to alcohol and drug related accidents. According to (Mothers Against Drunk Driving (MADD), 290 young people ages 15-20 were killed in alcohol related crashes during typical prom weekends in 2005—and 198 of those deaths involved an impaired 15- 20-year-old driver. Police and sheriff's departments add extra officers during prom weekend to get impaired drivers off the road as quickly as possible.

Morgan County High School

is sponsoring Project Prom after the prom ends on May 23 to help keep kids safe. The students will travel by school bus to Mt. Sterling for a night of movies and bowling. Students will begin boarding buses at midnight and leave the high school at 12:30 a.m. and return by 6:45 a.m. Junior and Senior students and their dates must ride the school bus to the event. All activities are free.

A parental consent form must be signed before students or dates can attend. Consent forms are available at the high school. For more information call the Youth Services Center at 743-8073.

Men, women over 50 invited to participate in Ky. Senior Games

Men and women alike, 50 and over, are invited to participate in the Kentucky Senior Games at Don Greenhill City Park in Morehead on Wednesday, May 20, at 9 a.m. Registration forms are available locally by contacting: Merle Nickell at 743-7211, or Langley Franklin at 743-4415, or the Morehead Recreation Department at 784-8686. Several contestants competed in last year's events. Contestants compete on an individual basis according to age group. Events this year include washer toss, softball and football toss, basketball. Final New Cities Pjt. meet is tonight at MSU Center

The Morgan County Chamber of Commerce and the Lexington-based New Cities Institute will host a final community meeting at 6 p.m. tonight in the Commonwealth Room at the Morehead State University at West Liberty campus.

The final community meeting is open to the public and will include a pig roast, live music and door prizes.

The New Cities program, designed to develop a visionary plan for the community's future, provided participants several opportunities to discuss long and short term projects to enhance the

county's quality of life.

This economic development effort was funded with a \$10,000 grant from Berea's Brushy Fork Institute through the Appalachian Regional Commission, which provides training for community leaders and administrators \$280,000 in Flex-E grants to Kentucky's distressed Appalachian counties.

For more information about this event, contact Chamber of Commerce member Sharon Lykins at 743-3330. For more information about the New Cities Institute, visit the website www.newcities.org.

State budget crisis, national economic decline leave local school dist. funding in limbo

Large crowd at board meeting after 61 non-tenured teachers and classified personnel receive pink slips

By Miranda Cantrell
James

Approximately 75 school district employees, parents and students attended the regular school board meeting on Monday, May 11, at Morgan County Middle School, to protest possible staff reductions after employees received notification from Superintendent of Schools Deatrah Barnett that contracts for all non-tenured certified and classified staff would not be renewed for the 2009-2010 school year.

The potential cuts are a result of state educational budgetary issues caused by the current global economic recession, which has created a \$329,000 shortfall in 2009-2010 Support Education Excellence in Kentucky (SEEEK) funding for the district.

Barnett said on Monday afternoon those among the 33 certified employees who received pink slips last week were non-tenured art, music and health/physical education teachers. An elementary school librarian will return to the classroom, leaving one itinerant librarian for the four elementary schools.

The superintendent clarified that the board is not seeking to eliminate the district's art, music, health/physical education and elementary library programs, as has been rumored. Tenured teachers in these programs will retain their positions.

Twenty-eight classified employees received pink slips, including nine bus drivers — as the board may consider consolidating some bus routes. School cooks will not be affected by the staff reductions.

Notification Contents

In an e-mail that was sent to school employees last week, Barnett stated that a significant amount of the district's Title I and Rural Schools funding could not be allocated for staff salaries due to unmet Kentucky Core Content student assessment goals:

"It is absolutely ESSENTIAL that you stress to students how IMPORTANT it is for them to do well on their assessments because, when schools or the district don't meet their achievement goals/Adequate Yearly Progress (AYP), we must, by law, hold a huge amount of that school's Title I funds and a huge amount of the DISTRICT's Title I allocation for professional development — THE ONLY WAY IT CAN BE USED! (Just last year, this amounted to OVER \$90,000!)"

(Note: If the school district as a whole does not meet its AYP goals for two consecutive years, it is classified as being in "Tier Consequences" and is required to allocate 10 percent of its Title I funding to professional development. This is also the case with Title I funding that is allotted to individual district schools.)

"We also have to retain additional monies from our funds for Supplemental Educational Services for students at those schools"

Approximately 75 school district employees, parents and students attended the May 11 school board meeting to address the board about potential staff reductions for the 2009-2010 school year.

(currently one school) and for transportation to other, successful schools. The total amount of money we currently "hold" for these two things is \$50,000 of Title I PLUS up to \$40,000 of our Rural Schools fund.

"These are monies that could be used for salaries and other resources, if each school and our overall district scores are at or above goals and we make our AYP again this year. Obviously, you can see that if we had NOT been in Tier Consequences, we

would have been able to use this \$180,000 for salaries... We couldn't because we didn't meet our AYP in one school and at our district level (all schools combined)."

Notices of possible reductions in salary due to decreased duties involving extended days were also sent to some staff members. Barnett defended the cuts — which may not affect all notification recipients — by stating in the e-mail that she thought re-

Work begins on new water line extensions

Three additional lines planned if enough sign up

The Morgan County Water District last week announced that construction on the Phase 12A water line project has begun. Water District Manager Cindy Montgomery said all residents who are interested in water service will need to come to the office, sign a Water User Agreement and pay their tap-on fee. Customers who are making payments on these fees are encouraged to finish paying off their balance.

"Remember, the meter base can not be set until all fees are paid in full," Montgomery said.

The line construction routes (roads) are as follows: Hwy. 191, Hwy. 134 and the Wheel Rim area. "We will also consider adding on Camp Branch Road, Al Johnson Road and Wagers

Branch if enough people request water service," Montgomery said.

Montgomery urges interested citizens in these areas to not let this opportunity pass. The road selection process depends on the total customers signing up for the service. The cost is \$590 for the tap-on fee, and the deposit is \$50. These fees can be paid anytime at the Morgan County Water District office located at 408 Prestonsburg St., in the former Kennedy Library building.

"If anyone has any questions, we would be happy to assist you by phone," said Montgomery. "Call 743-1204 anytime Monday through Friday 8 a.m.-4 p.m. Don't be left behind! Sign up today."

West Liberty Nursing & Rehab Celebrates Volunteer Week By Honoring Those Who Donate Their Time

Volunteer Week was celebrated at West Liberty Nursing and Rehabilitation Center in April. Volunteers at our facility play an important role in the lives of our residents. Each day there are volunteers who puts a sparkle back into the eyes of our residents. Volunteers give of themselves both emotionally and spiritually. They dedicate and devote their time to enriching the lives of others by reaching out to those who are less fortunate. They do this with no expectations in return except for the gratification in knowing that they have touched another person's life. Our residents look forward to each and every visit from our volunteers. Volunteers can hold church services, singings, pet therapy, read, pray, or talk to residents, play bingo, do arts and crafts, or just visit. If you would like to become a part of this exceptional group, call Betty Black, Activities Director, at (606) 743-3846 for more information. To all of our volunteers we say thank you for your faithful service and time devoted to our residents.

FROM A LOVING SON OF THORNTON AND HAZEL TERRY

From time to time we are reminded of what a good community in which we live. So many of you truly lifted my spirits with the wonderful things you did and said during the passing of our father and mother. My hope is that we children who remain after their victory will carry on the noble works our parents have committed to us. Shall we never lose the spirits that lead them in their struggle to sublime achievements; they have shown us a path of happiness and light kindled with love. May our lives be worthy of their deeds.

I want to personally say "thank you" to everyone who sent flowers, food, cards, visited us in our homes and the funeral home, phone calls, and prayers. Also I want to thank the West Liberty Police Department for their excellent and professional escort of the funeral processions. Their compassion was shown in every way.

The love, comfort and support conveyed by everyone to my family and I will always be remembered. God bless each and every one of you is our prayers.

--Shorty Terry

Quotable Quote

Don't smoke too much, drink too much, eat too much, or work too much. We're all on the road to the grave — but there's no reason to be in the passing lane.

Robert Orben

Gerald E. Nickell

Gerald Edmond Nickell departed this life April 16, 2009, at the age of 70 years, 9 months, and 6 days.

Gerald was the oldest child of Bill Nickell and Mary McClure Nickell. He had three brothers, Billy and Dorman Nickell, both deceased, and Darrel Nickell and wife, Ella Mae, of West Liberty; one sister, Dema Miller and husband, Rufus, of Dayton, Ohio.

Gerald was only five years old when his mother passed away. He and his siblings were all separated. Gerald went to live with his grandmother, Ida Nickell McGuire, and after only a short time they moved in with his Uncle Tom and Aunt Ruie. Gerald grew up in a loving and caring home with Uncle Tom and Aunt Ruie until 1955. He had decided to enlist in the US Navy. For most of his four year tour, he was on a ship and put to sea. In 1959 after a four year tour, he received an honorable discharge. He came back home and lived with his Aunt Mattie Lacy for a period of time. He then started his career as an operating engineer running heavy equipment.

In February 1965, Gerald married Sharlet Sue Nickell and to this union was born two daughters, Jenny Nickell Coomer, of Miamisburg, Ohio and Beth Nickell, of Cincinnati, Ohio. Gerald was also the father of one son, Jimmie Pennington and his wife, JoAnn, of Delaware, Ohio. For many years Gerald was a member of the Amateur Trapshooting Association and shot trap as often as possible. When hunting season was in he hunted quail and pheasants. However Gerald's real passion was fishing. He joined the local union of Operating Engineers and started counting the years, months and days until he could retire and move south where he could fish every day. In 1993 Gerald married Debbie Kennard Lippinski. With this marriage he had one stepson, Patrick Lippinski. Finally after 35 years as an operating engineer, Gerald had achieved his goal. He was ready to move south to warm weather and fishing everyday.

After only a short time in Florida, Debby's health caused them to move back to Miamisburg, where she preceded him in death.

In 2003 Gerald once more moved south to Hollywood, Alabama, and his favorite fishing lake, Guntersville. On May 13, 2004, he got himself a new fishing partner. Gerald married Barbara Kennard Conley. With this marriage Gerald had two stepsons, Tony Conley, of Georgetown, Ky., and Kenny Conley, deceased. Even though they never had a lot of years together, Gerald and Barb sure enjoyed what they had. If you ever visited them you felt the love in their home. I guarantee you never left hungry, they always thought they had to feed you. As the end neared, Gerald never wanted Barb out of his sight. In 2005 Gerald became a member and was baptized into the Eastside Church Of Christ in Springboro, Alabama, where he attended regularly as long as his health would allow.

Gerald is also survived by two grandchildren, Caleb and Caitlin Coomer, of Miamisburg, Ohio; four step-grandchildren, Morgan, Nick and Bailey Conley and Brooklyn Damron. Because of Gerald's years at Uncle Tom and Aunt Ruie's, he had four cousins that he considered more like brothers and sisters, Estill "Tut" Nickell, deceased, Linda Nickell and Roger, of West Liberty, Ky., Betty Robinson and Bobby, of Hollywood, Alabama, and Jerry Nickell and DeeDee, of Bellbrook, Ohio. He also leaves behind a host of nieces, nephews, family and friends.

Right to the very end Gerald wanted to be fishing. If he was not able to fish he had to get his fishing reports from his little buddy Peyton. Darrell and I were blessed to be on the boat with him his last fishing trip. He was only able to stay a short while. Even though it was a short trip God smiled down upon him. He caught 3 very nice slab crappie and all Darrel and I caught was a memory. He sure was happy and never hesitated to let us know how easy it was to beat us. He is now Gone Fishin forever with God on God's Crystal Lake.

Wayne Gibbs

Wayne Gibbs, of Jackson, formerly of Gilmore, departed this life Tuesday, April 28, 2009, at the age of 68 years, 6 months, and 27 days.

He was a son of the late Lexie Raymond, Sr. and Dora Howard Gibbs, born in Wolfe County, Kentucky, on October 1, 1940.

Wayne was a retired millworker for Rockwell, and was a member of the Masonic Lodge #711 F & AM. He was a United States Air Force veteran.

Survivors include the mother of his children, Virginia Chenault Gibbs; one loving son, Jason Wayne Gibbs, of Winchester; three loving daughters, Jennifer Lynn Banks and husband, Alonzo, of Mt. Sterling, Julie Ann Roe and husband, Richard, of Jackson, and Jessica Nichole Gibbs, of Winchester; one grandson, Colby Alonzo Banks; four granddaughters, Hannah Josephine Banks, Lydia Kay Banks, Rachel Nicole Gibbs, and Isabella Richelle Roe; two brothers, Lexie Raymond Gibbs, Jr., of Gilmore, and Eugene Gibbs, of Foley, Alabama; three sisters,

Wilma Kay Nickell, of Gilmore, Dorothy Adams, of West Liberty, and Lois Gibbs, of Stanton; and a host of other relatives and friends.

In addition to his parents, he was preceded in death by one brother, Hubert Gibbs; and one sister, Ruhlon King.

Funeral services were conducted at 1 p.m. Saturday, May 1, at Porter and Son Funeral Directors Chapel, with Bro. Greg Chaney officiating. Burial followed in the Gibbs Family Cemetery, on Gilmore, with Porter and Son Funeral Directors, of Campton, in charge of arrangements.

Military rites were conducted at the graveside.

Pallbearers were Lexie Gibbs III, Christopher King, Greg Potter, Paul King, Wade Gibbs, and Lee Picklesimer.

May 8 – Get well wishes to all the sick, and condolences to all the families who have lost loved ones.

I hope all mothers had a good Mother's Day, which they truly are deserving.

Harold Goodpaster and Sandra C. were in West Liberty on May 4 conducting business.

I spoke with Phyllis Brogan; I was glad to hear from her. Please call again. We had a pleasant conversation. I would like to extend get well wishes to Bill Brogan, who has not been feeling well.

Also, I would like to send get well wishes out to Thelma McGuire, who is under the weather. Get well soon, Thelma.

Sandra Carpenter had as dinner guests Barbara Carpenter and Harold Goodpaster as dinner guests on Wednesday. Everyone enjoyed a good meal.

On Wednesday night at Blaze Community Church, we had a guest speaker, Bro. Newman, from Grayson, Ky. he did a real fine job preaching.

Please remember, we are in revival at Blaze Community Church this week, with Bro. Eugene Haney preaching. Pastor Vernon Lewis and congregation invite you to come out nightly at 7 p.m. We will have homecoming dinner on Sunday.

Twenty-Six

By Sherry Bailey

May 11 — Happy birthday to my niece, Kayla Peyton, who will celebrate her 22nd birthday on Tuesday, May 12.

Clarence and Paula Kelly of Fairborn, Ohio, spent the weekend before last with Liz and Greg Phipps. They also had dinner guests: Veachel Ferguson, Arlene Ison and Darris Smith, all of West Liberty.

Mother's Day visitors of Liz and Greg Phipps were Greg's mom, Wanda Phipps, sister Terri, brother Bobby of Stacy Fork, sister and brother-in-law, Patty and Mike Turley of Louisville, Greg's niece, Alisha Phipps, Carlisle, Ky., Helen Weddington, and myself.

On Mother's Day, I also visited Aunt Louise Wilson, Ollie McKinney, Milburn "Mib" Denniston, and Seldon Fannin at Edgewood Estates in Menifee County.

I'm so sorry to hear of the death of Teresa Goodpaster, sister of Darris Smith. I hope the family will accept our condolences.

Also, I'd like to extend sympathy to all our friends and neighbors who have lost loved ones recently.

Kenny and Brenda Ruth of Cape Girardeau, Mo., visited his sisters, Lynne Smith and me recently. It was so good to get to spend some time with them. I wish we lived closer so we could have more time together. When I was young, I would have sold Kenny for 10 cents, or maybe a nickel, but now I'd love the opportunity to get to know my big brother better – as an adult. I'm very proud of him, and his accomplishments. I may not tell him, but I am very proud to have him as my brother. I can't remember how long it had been since I had seen my sister-in-law, Brenda. It was wonderful to get to visit with her too.

Our little brother, David Smith, came up from Lawrenceburg to work on Kenny's vehicle. He can fix almost anything. If he's got the parts [and the tools], he can fix it! When something is broken, I call on "Mikey." I bet sometimes he'd like to tell ME for a nickel (or even a penny)! I'm always calling on him!

Stanley Riggsby, thank YOU for the favor you did for Kenny. I don't know WHAT he would have done without you!

Monday, I visited Lula Carpenter, while Kenny and Brenda were there visiting with her. She seemed to be feeling pretty well that day. I understand she has good days and bad days. Hope you get to feeling better, Lula.

Get well wishes to Thelma McGuire who has suffered a recent episode of pneumonia, and to Bill Brogan, who is in a poor state of health.

I hope all the mothers out there had a nice Mother's Day. As I was visiting my mother's grave on Sunday, I thought of all the Mother's Days that I let slip by (when I was young) that I didn't show her the proper respect or any appreciation. I didn't truly appreciate her until after I got married and left home. How I wish I could call back those first 18 years and do a major "do over." But, we can't always get the opportunity to do it again. So, if you're out there and you still have your mother, treasure her. Let her know how much you appreciate the sacrifices she makes for you.

If you're a mother that has a child that you don't show any affection to, START NOW, before you warp their minds forever! Sometimes we grow up thinking

we're not loved if we're not TOLD we're loved. We mistake guidance for criticism. If we only get talked to when we do something wrong, we think we're a major screw-up. Surely there is something you could praise your child for (good grades, looks nice today, pretty outfit, hair looks nice, SOMETHING). Don't let the only words that come out of your mouth be hateful criticisms of your child. So what if they drive you crazy and they're leaning on your last nerve! They won't be young forever. Someday THAT might be the only one of your children that would drag YOU out of a burning house. THAT child may be the one child that would give you a home when you're old. Just try to show more love. Let that child grow up KNOWING that they're loved, in spite of their daily screw-ups. Let them know that their love is unconditional. It's an investment that will pay off for years to come. How YOU treat YOUR kid, may be how he or she treats their kids someday, so be a good role model.

West Liberty Elementary School students taking part in the Accelerated Reading program have passed a total of 30,094 book tests for the 2008-2009 school year.

Students must choose and read a fiction or non-fiction book, textbook or magazine. Teachers monitor Accelerated Reader activities through guided, paired, literature-based and textbook reading.

After reading the books, students take a quiz. Teachers can create their own quizzes for books not available through the Accelerated Reader program.

The Wounded Are All Around Us

By Sandra Sharp

Almost every person has had something in life happen to cause a wound. Some wounds are obvious (for example, my son, Kelly, who suffered the partial loss of a leg and hand in Afghanistan) and some are not so obvious.

Christians and non-Christians alike get wounded by accidents, abusive situations, unkind words spoken that never are forgotten, loss of loved ones, unfulfilled dreams, heartaches, addictions, and the list goes on and on.

Who are you? Why do you cry when no one is present to see the tears? Why do you have sleepless nights that you can only sleep with the help of prescription drugs? Why do you get hooked on alcohol or drugs and feel that you have no way to turn your life around?

A young girl is wounded when she chooses an abortion.

A woman marries the wrong man, gets beaten by her husband on a regular basis, has children, and they are abused by their father. She hides the bruises behind makeup. A son becomes a school bully and later has trouble relating to women in his life. The cycle continues—more wounded people.

An elderly person sits alone at home, a spouse has died. No one pays him/her a visit. Or the nursing home staff is too busy to help feed them, talk to them, and sadly enough may sometimes even abuse them and not get caught. No one notices their wounds or cares because they no longer talk clearly or can't be understood.

Where are the wounded? They're all around us. In Sudan dying of starvation. In Chicago eating out of garbage cans. In prisons being treated like forever-misfits. In foster care crying inside for false guilt that they created the breakup of their homes. Homeless and walking city streets daily and sleeping in parks or on church steps. Forgotten veterans and their sacrifices. You don't have to walk wounded. There is a way out. The hurt can end. The end may take a little time, but the beginning can be now.

Attend a church service. Seek ye the truth and truth shall set you free.

WORDS OF WISDOM

Everyone should learn to do one thing supremely well because he likes it, and one thing supremely well because he detests it.

Charity trail ride a success; sponsors express thank

With the weather favorable for outside activities, great support was demonstrated for the St. Jude Children's Hospital Charity Trail Ride on April 18.

Hosted by the Licking River Riders Drill Team and the Morgan County Saddle Club, the event drew many riders from several counties across the state; some drove nearly three hours to make the ride at Murder Branch.

The parking area was full of trailers that delivered approximately 100 horses with their riders.

Sincere thanks from the Licking River Drill Team and the Morgan County Saddle Club to all riders for your participation and contribution. It made the day a success. A very special thank you to the KY Equine Education Project (KEEP) for their support and generous contribution.

About the American Cancer Society

The American Cancer Society combines an unyielding passion with nearly a century of experience to save lives and end suffering from cancer. As a global grassroots force of more than three million volunteers, we fight for every birthday threatened by every cancer in every community. We save lives by helping people stay well by preventing cancer or detecting it early; helping people get well by being there for them during and after a cancer diagnosis; by finding cures through investment in groundbreaking discovery; and by fighting back by rallying law-

makers to pass laws to defeat cancer and by rallying communities worldwide to join the fight.

As the nation's largest non-governmental investor in cancer research, contributing more than \$3.4 billion, we turn what we know about cancer into what we do. As a result, more than 11 million people in America who have had cancer and countless more who have avoided it will be celebrating birthdays this year. To learn more about us or to get help, call us any time, day or night, at 1-800-227-2345 or visit [HYPERLINK "http://www.cancer.org/"](http://www.cancer.org/) cancer.org.

Get on track

In this age of fast travel and confusing schedules, it is easy to lose track of our lives. There are two tracks...God's track and ours. The question is how can we join those two tracks into one without too many bumps and jolts as we travel through our lives? The answer may be easier than we think!

God has a plan for our lives...a destination. We also have plans and goals, things we want to do and achieve. As we worship God each week and discover His will for our lives, He will give us direction. With His help, the two tracks can converge smoothly into one.

Get on track...God's track. Have a safe journey.

FOUR THINGS THAT MONEY CAN'T BUY

You can win it with love, or a tender caress and a trinket once in a while. But you can't with all the wealth in the world buy a tiny baby's smile. All the power on earth can't stop old time from constantly rolling on, and all the gold that this world can hold can't bring back youth when it's

gone; and though you possess the wealth of kings and castles that reach to the sky, a good friend's love, so faithful and true; is something that money can't buy. They say a man's reach should exceed his grasp or what is Heaven for? The sublimest thing that money can't buy is a pass through Heaven's door.

It was a little girl's first day at school, and the teacher asked her, "What's your father's name?"

"Daddy," she answered. "Yes, of course," smiled the teacher, "but by what name does your mother call him?"

"She doesn't call him any names," explained the girl. "We love each other in our house." Happy is the home where the speech registers sweetness, where the actions reveal affection, where their eyes relate encouragement, where their countenances reflect compassion, and where their lives radiate love.

The Living Bible says, "Love each other... and take delight in honoring each other."

MORGAN COUNTY SOFTBALL

Morgan gets 3 wins, including 14-run outburst at P'burg

By David Patrick
East Carter - 11
Morgan Co. - 4

East Carter scored nine runs in the final four innings en route to an 11-4 win over host Morgan County.

The Lady Cougars grabbed the early 1-0 lead when Ashley Watson scored on a triple by Faith Slone. East Carter scored lone runs in the second and third innings to take a 2-1 advantage. Morgan answered with RBI hits from Bri Peyton and Tanieka Salyer to regain the lead, 3-2.

But it wall Lady Raiders from there with two runs in the fifth, three in the sixth and four in the seventh inning to blow the game open. East managed just five hits in the four inning stretch, but were aided by eight Lady Cougar fielding errors.

Morgan scored its final run in the fifth as Slone doubled and came around on a single by Salyer. The Lady Cougars finished with eight base hits.

Morgan Co. - 10
Elliott Co. - 3

Morgan County broke open a 3-2 game with a five-run fifth inning as Coach Tammy Hensley's team pulled away for a 10-3 win over visiting Elliott County.

The Lady Cougars scored two runs in the first inning on hits by Ashley Watson, Rickayla Ison, Bri Peyton and Cassandra Watson. Heather Haney doubled and came around in the second for a 3-0 Morgan lead.

Elliott got on the board with a pair of base hits in the third and added lone runs in the fifth and sixth innings. But Morgan mustered more than enough offense in the fifth inning with hits from Ison, Peyton, Faith Slone, Tanieka Salyer and Halley Wilson. In all, the Lady Cougars plated all five runs with the benefit of only one Elliott fielding error.

Morgan added two runs in the sixth on a triple and single, respectively, by Slone and Salyer. On the mound, Cassandra Watson held the Lady Lions to only six hits to pick up the victory.

West Carter - 6
Morgan Co. - 0

Pitcher Mandy Walker allowed just three hits over seven innings as West Carter shut out the Lady Cougars, 5-0.

Despite allowing the three base runners, Walker faced the minimum of 21 batters in the complete game effort. Faith Slone, Heather Haney and Ashley Watson all reached safely but were unable to score.

Meanwhile, West Carter scored lone runs in the third and fourth innings before adding three in the fifth. Seven fielding errors in the latter two innings led to much of the damage.

Lady Cougar pitched Cassandra Watson held West scoreless over the last two innings despite allowing three hits.

Morgan Co. - 4
Fleming Co. - 3

The Lady Cougars scored three times in the sixth inning to rally for a 4-3 win over Fleming County in Frenchburg.

Tammy Hensley's team trailed 1-0 in the fourth before tying the game on singles by Faith Slone and Cassasndra Watson. The Lady Panthers answered with a run in the bottom of the inning to regain the lead. But Morgan got clutch hits from Tanieka Salyer and Cassandra Watson, along with three Fleming fielding errors, to plate the go-ahead run.

Cassandra Watson allowed four base runners in the final two innings, but none were able to score as Morgan picked up its fourth win of the season.

Menifee Co. - 16
Morgan Co. - 6

Menifee County scored seven runs in the first two innings on its way to a 16-6 mercy win over visiting Morgan County.

The Lady Wildcats erased all doubt with a four-hit, eight-run fifth inning. Tammy Hensley's team had tried to make a game of it as Heather Haney, Mariah

MORGAN COUNTY BASEBALL

Cougars Sport 12-7 Record as post-season nears

These Morgan County High baseball seniors are to be honored at an upcoming home game. They are, from left, pitcher-shortstop Jon Lopez, 2nd baseman-pitcher Joel Nickell, and shortstop-pitcher Tyler Adkins.

By David Patrick
Morgan Co. - 2
Bourbon Co. - 1

Jon Lopez threw a complete game two-hitter as host Morgan County beat Bourbon County, 2-1.

Lopez faced 26 batters, striking out seven and walking just three. He allowed one hit and no runs through the first four innings before giving up an unearned run in the fifth.

Patrick Montgomery and Joel Nickell reached on a single and walk, respectively, to kick start a two-run first inning. Lopez and Tyler Adkins followed with singles as part of a three-hit frame. The Cougars missed out on an even bigger inning by leaving the bases loaded.

Morgan managed just two hits the rest of the way, but only Cory Murphy reached second base after a one-out fourth inning single. Lopez struck out two of three batters in the sixth before inducing three fly ball outs in the seventh to earn the victory.

Fleming Co. - 11
Morgan Co. - 4

Fleming County scored five runs through the first two innings as the host team beat Morgan County, 11-4.

The Cougars erased a one-run deficit in the second inning, courtesy of a triple from Mikie Fyffe, walk to Patrick Montgomery and a single by Joel Nickell. Jon Lopez followed with a bases-clearing single as Morgan grabbed the 3-1 lead.

But the Panthers countered with a second inning rally as Matthew Jolly, Heath Mineer, Joe Hunt and Tyler Hunt all reached safely and scored for a 5-3 lead.

Fyffe doubled in the fourth inning and came around on a RBI single from Tyler Adkins. But it was the last run Morgan would score as the Panthers tacked on another five runs to coast out to the seven-run win.

Raceland - 6
Morgan Co. - 0

Raceland senior Josh Wilson threw seven innings on no-hit baseball as the Rams blanked Morgan County, 6-0.

Wilson retired the first four batters he faced before issuing a walk to Mitchell Harvey with one out in the second. He struck out the side in the third inning and then retired the final 12 batters he faced to complete the shutout.

The Rams scored all they runs they would need in the fifth inning as Wilson, Jeremy Barr and Shawn Reynolds all reached safely and came across. Raceland added three more runs in the sixth inning courtesy of three hits, including a double from Johnscott Carver and a two-run single by Barr.

MORGAN COUNTY TENNIS

Cougars participate in Lexington tourney

By David Patrick

Sometimes final results are not indicative of a tournament's benefits. Such was the case on May 2 as the Morgan County boys tennis team participated in the Lexington Christian Academy Doubles Tournament.

Twenty-eight teams representing 11 schools gathered for the event, which was hosted by LCA tennis coach Kyle Macy. Due to inclement weather, the matches had to be shifted from the host school to the University of Kentucky's Boone Tennis Complex.

The field was separated into three flights with the top teams being placed in flight one. Every doubles team was guaranteed three matches, regardless of its record.

"The competition was tremendous," said Morgan County tennis coach Danny Clark. "Even though Joseph Litteral and Dylan Moore picked up our only victory (6-4, 7-6 vs. Somerset), it was a very valuable day for our players and should help us prepare for competition in the 15th region tournament."

The results were as follows:

May/Curd (MC) lost to Browning/Neiberg (Muhlenburg North), 6-7, 2-6

Blevins/McKenzie (MC) lost to Howard/Lindsay (Greenwood), 4- 6, 3-6

Litteral/Keeton (MC) lost to Sloan/Davis (LCA), 3-6, 0-6

May/Curd (MC) lost to Burdette/Swenck (Marion Co.), 6-4, 0- 6, 9-11

Blevins/McKenzie (MC) lost to Bridwell/Cotton (Cov. Catholic), 1-6, 0-6

Litteral/Moore (MC) defeated Daniel/Weigel (Somerset), 6-4, 7-6

May/Curd (MC) lost to Hammer/Thomas (E'town), 3-6, 4-6

Blevins/McKenzie (MC) lost to Martin/Bivens (Somerset), 4-6, 3-6

Litteral/Moore (MC) lost to Cooper/Ahmed (E'town), 3-6, 3-6.

Powell Co. - 6
Morgan Co. - 0

The Lady Pirates scored a combined five runs in the third and fourth innings to shot out visiting Morgan County, 6-0.

The Lady Cougars managed only five hits in the game with no more than one in any inning. Cassandra Watson reached safely twice with Ashley Watson, Faith Slone and Libby Smith all collecting hits.

But Powell County's three-run fourth provided more than enough cushion as the Lady Pirates banged out a pair of hits and got a walk.

Pitcher Cassandra Watson settled down to limit Powell to just two hits and no runs over the final two innings.

Texas Female Protection

By the Cobbs of Tipp City

In Texas, a woman was called in front of a grand jury for possible manslaughter charges after she shot a mugger in the back six times as he was running away with her purse. He grabbed her purse and ran. She had her hand on her gun inside the purse and when he ran with the purse she was left holding just the gun.

When asked by the grand jury why she shot him six times in the

back as he was running, under oath she replied, "Because when I pulled the trigger the 7th time, it only went click."

She was acquitted of all charges because that's the way it is in Texas and the way it should be everywhere
